

## From London to Lyon

Nowadays, plenty of people are eager to leave abroad. Unfortunately, in this blog we are talking about the most essential disadvantages of moving to a new country

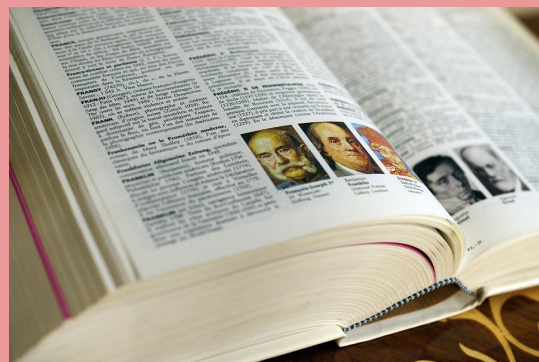

---

### MINUSES

It isn't a holiday

You have to do all kinds of things like open a bank account. These things aren't easy and they take time.

Language problems

People talk to me like they talk to each other-fast! there's new vocabulary which you have to pick up.

You might not like it

It's possible after all the excitement of moving to another country, you become one of those foreigners who is unhappy abroad.
